Re: The Colorado Society of Mayflower Descendants Scholarship Awards

Dear Madam/Sir:

In the Spring of 2023, the *Colorado Society of Mayflower Descendants* will award one \$1620.00 scholarship to a high school senior planning to attend any accredited college, university or vocational institution. Having a Mayflower ancestor is not a requirement. The award monies will be sent directly to the winner's educational institution.

Applicants must be residents of the State of Colorado and a citizen of the United States. Criteria for selection include: a written essay on the topic given in the application, evidence of activities, leadership, and honors received, GPA and class rank, a letter of recommendation, and Mayflower ancestry if pertinent. The most important part of the application is the essay, but all parts will be graded, and it is the total score that will determine the final winners.

The complete application form and instructions are enclosed, please feel free to copy as many copies as you need. If you have questions regarding the application please contact this chairman. Applications will be due February 15, 2023.

The Scholarship Committee appreciates your attention to this matter, and we look forward to receiving applications from your students. If you have questions, please feel free to call or email me, (719-240-6006 or pbottini@aol.com).
